Video on UNDP's Caribbean Human Development Report 2012

The *Caribbean Human Development Report 2012: Human Development and the Shift to Better Citizen Security* offers a set of solutions to reduce crime in the English- and Dutch-speaking Caribbean countries. Commissioned by the United Nations Development Programme (UNDP), this important document based on a thorough consultation and research will be launched on 8 February in Port of Spain during a ceremony attended by Caribbean leaders and UNDP senior officials.

- A 7-minute video presenting a glimpse into the Report is available on <http://vimeo.com/35378987>. Please feel free to disseminate this video through social media to your friends and colleagues.
- Media networks willing to broadcast this video can obtain it free of charge in high definition by downloading it from the following link:
